A Guide to Using the AFP Logo
This manual provides basic graphic standards for the use of the Association of Fundraising Professionals (AFP) name, logo, and identity. These guidelines are intended to assist AFP chapters and members in their use of the name and logo in a manner that complies with the brand identity objectives of the association.

AFP’s brand identity can only be established through accurate and consistent usage throughout North America and the world. Alterations and distortions of our common name and logo dilute their impact, weaken our identity, and endanger the legal protections afforded our trademarks. Uniform use of our name and logo is essential for creating an internationally recognizable identity and reference for our chapters and members.

If you have questions about the AFP name or use of the AFP logo, please contact AFP Global at (800) 666–3863 or paffairs@afpglobal.org.

Logo Colors and Type

Colors in Print Communications

To ensure faithful color reproduction, always use the Pantone Matching System (PMS). If you are using an outside supplier, be sure to provide them with these color formulas (depending on whether the job is printed with custom color or process inks) to ensure correct color reproduction.

Please note: Pay careful attention when selecting paper. The PMS colors selected are different when printing on coated and uncoated stock.

Colors in Electronic Communications

Use the Red Green Blue (RGB) formulas when your end product will be viewed on screen, as with online projects or interactive presentations. With online projects, you may need to select colors from a computer’s system palette. When making a color selection from a computer’s system palette, always match the colors to the RGB formulas as shown. Do not depend on your screen to match the colors accurately, as they may vary from one system to another.

Logo Typefaces

If you choose to match the typefaces used in the logo with the text in your printed material, the typefaces used are Optima and Gill Sans. We strongly suggest that you use the official, camera-ready or electronic logo provided. Do not try to recreate the logo using type. There have been alterations to the type that would prevent an exact replication. These typefaces can be ordered from the Adobe Type Library. Call (800) 294-1724.

Use by Members

Strict requirements govern the use of the AFP name, identity, and logo. The AFP name, identity, and logo may not be used in any way that is misleading. Unless a specific license has been granted by AFP, the AFP name, identity, and logo may not be used in a manner that suggests or implies AFP endorsement or approval of any person, product, service, or activity. An individual who is in good standing with AFP may, strictly consistent with these guidelines, use the AFP name and logo, provided such use is in conjunction with the phrase “member of” as illustrated.

Chapter materials, including those online, such as stationery, e-mail, brochures, fliers, memos, etc., should comply with these usage guidelines. All graphic elements and stylistic usage of the AFP name, identity, and logo are subject to pending service and/or trademark registration. Without prior written consent, individuals and chapters may not license or otherwise authorize the use of such marks by third parties in any manner. Please contact AFP Global if you have questions in this regard.
